5

Development

BIM-VT

- The team ensures:
 - adherence to agreed-upon deadlines¹
 - support and guidance
 - development of certain examinations
 - docimological and linguistic review of examinations
 - publication of final versions of examinations in the BIManger (GeXamine) bank

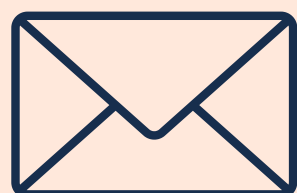

Educational Institutions

- Contribution to examinations according to the initial agreement and established deadlines:
 - development
 - validation

¹ Our commitment to meeting the timeline for examination publication is conditional upon all participants adhering to the established deadlines.
